

Symbol:	PAN.DM3DCV
Manufacturer part number:	DM3DCV-DV0.2
Product groups:	Panel Meters

Product specifications

Type of meter:	voltmeter
Kind of meter:	digital, mounting
DC voltage measuring range:	0...200mV
DC voltage measuring accuracy:	±0.5%
Mounting:	on panel
Mechanical mounting:	snap fastener
Kind of display used:	LED

Display parameters:	3,5 digit
Digit height:	14mm
Measurement:	DC voltage
Sampling:	2,5x/s
Internal resistance:	100MΩ
Current consumption:	60mA
Supply voltage:	5V DC
Mounting hole dimensions:	68x33mm
Dimensions (W x H x D):	72x35x15mm
Weight without batteries:	32g
Measuring instrument features:	1 overflow indicator

Additional information

Gross weight:	0.046 kg
