

Symbol:	PAN.PM129A1
Manufacturer part number:	PM129A-1
Product groups:	Panel Meters

Product specifications

Type of meter:	voltmeter
Kind of meter:	digital, mounting
DC voltage measuring range:	0...200mV
DC voltage measuring accuracy:	±0.5%
Mounting:	on panel
Mechanical mounting:	M2 screw
Kind of display used:	LCD

Display parameters:	3,5 digit
Digit height:	14mm
Measurement:	DC voltage
Sampling:	2,5x/s
Internal resistance:	100MΩ
Current consumption:	60mA
Power supply:	battery 6F22 9V x1, power supply 7...11V DC
Dimensions (W x H x D):	68x44x15mm
Weight without batteries:	42g
Measuring instrument features:	1 overflow indicator, automatic polarization selection, low battery indicator

Additional information

Gross weight:	0.055 kg
