

Symbol:	TP-04
Product groups:	Meters - Accessories

Product specifications

Type of measuring probe:	K-type temperature
Temperature measuring range:	-50...400°C
Cable length with temperature probe:	1m
Probe length:	0.1m
Probe diameter:	15mm
Holder length:	100mm
Kind of temperature probe:	surface
Measurement:	temperature

Additional information

Gross weight:	0.102 kg
