

Symbol:	PAN.UP60351
Manufacturer part number:	UP6035-1
Product groups:	Panel Meters

Product specifications

Type of meter:	voltmeter
Kind of meter:	digital, mounting
DC voltage measuring range:	0...200mV
DC voltage measuring accuracy:	±0.5%
Mounting:	on panel
Mechanical mounting:	snap fastener
Kind of display used:	LCD

Display parameters:	3,5 digit
Digit height:	13mm
Measurement:	DC voltage
Sampling:	2,5x/s
Internal resistance:	100MΩ
Current consumption:	1mA
Power supply:	battery 6F22 9V x1, power supply 8...12V DC
Mounting hole dimensions:	68x33mm
Dimensions (W x H x D):	72x36x13mm
Weight without batteries:	28g
Measuring instrument features:	1 overflow indicator, automatic polarization selection, low battery indicator

Additional information

Gross weight:	0.04 kg
